Profile Summary

Motivated Full Stack Developer with hands-on experience in building scalable web applications and Shopify solutions using React.js, Node.js, Express, Prisma, MongoDB, and MySQL. Skilled in integrating REST and GraphQL APIs, optimizing performance, and delivering seamless user experiences. Proven ability to solve complex technical challenges, especially in ERP integrations and e-commerce automation. Eager to learn new technologies and contribute to impactful, production-ready projects.

Professional Experience

Techspawn Solutions Pvt Ltd, *Junior Software Developer*

12/2024 – present

As a Junior Software Developer at Techspawn Solutions, I build scalable Shopify e-commerce solutions using React JS, Remix JS, JavaScript, Node JS, and Prisma ORM with MongoDB and MySQL. I also integrate REST APIs and GraphQL to ensure efficient data handling and deliver a seamless user experience.

Pune

Projects

Synco Shopify Odoo Connector, *Techspawn Solution Pvt Ltd*

Role: Full Stack Developer **Tech Stack:** React JS, Redux, Node.js, Express, Prisma ORM, MySQL, Shopify Public App

- Built a **Shopify public app** to seamlessly synchronize data between **Shopify** and **Odoo ERP**, including orders, payments, customers, products, inventory, and taxes.
- Developed full-stack functionality using **React JS with Redux** for the admin panel and **Node.js with Express** for backend services.
- Implemented **Prisma ORM** with **MySQL** for structured and scalable database interactions.
- Created **cron jobs** to fetch and sync Odoo data to Shopify with support for both **auto-sync** and **manual sync** options for admin users.
- Overcame complex challenges in **mapping Odoo's ERP inventory and tax data** with Shopify's structure, ensuring accuracy and data consistency.
- Contributed to delivering a reliable, efficient, and scalable integration tool, enhancing automation and reducing manual overhead for merchants.

Multi Location, *Techspawn Solution Pvt Ltd*

Role: UI Developer **Tech Stack:** **React.js**, Shopify Admin Here are three effective, everyday language bullet points for your resume based on the given information:

- Built **user-friendly React components** for a Shopify app that shows stock availability by store locations on product pages, helping customers find nearby stores easily.
- Integrated **Geolocation API and Google Maps** to enable customers to pick the best store location based on their current location.

- Worked with APIs and backend data to keep product and location information updated for filtering and collections, while ensuring multi-language support and fast, responsive design.

Education

DR D Y Patil Center for Management and Research Pune, <i>Master of Computer Application</i> Grade: 8.00 CGPA	07/2022 – 05/2024 Pune, MH
Prof. Ramkrishna More College Akurdi Pune-33, <i>Bachelor of Computer Science</i> Grade: 9.21 CGPA	06/2019 – 04/2022 Pune, MH

Skills
